## Summer Schools in Europa - Estate 2019

La scuola estiva (in lingua inglese *summer school*) è una scuola, o in generale un programma sponsorizzato da un istituto, un'accademia, ma più generalmente un'università o un college, che svolge **corsi durante le vacanze estive, in particolare nei mesi estivi**.

### Perchè partecipare a una summer school?

Partecipare a una Summer School è un'ottima occasione di **trascorrere parte delle proprio vacanze estive approfondendo un tema di studio** o di attualità (e nel caso degli studenti universitari guadagnando qualche credito), entrare e frequentare un'università straniera, **praticare una lingua straniera**, prendere contatti, **fare nuove amicizie**, conoscere **nuove culture**, conoscere una **città nuova**.

Si tratta di iniziative organizzate dalle università o da altri enti di formazione e si possono suddividere in tre grandi gruppi: corsi specialistici, corsi di lingua e cultura del paese di svolgimento corsi teorico-pratici.

La partecipazione può essere aperta a tutti oppure ristretta a studenti o laureandi o laureati.

I costi di partecipazione variano da università a università.
